

# District Profile of District Srinagar

*District Srinagar is spread over an area of 294 Sq Kms.It has a population of 10.94.291 souls which comprises of 5.94.704 males and 4.99.587 females.The district has an urban population of 10.45.478 and rural population of 48813 souls.*

*Although there are many major Hospitals located in Srinagar which are responsible to deliver Health care at tertiary and secondary but it is the Chief Medical Officer Srinagar,who through his institutions plays the pivotal role in providing the Primary Health Care to people both in urban and rural areas of District Srinagar.*

*Chief Medical Officer, Srinagar is over all in charge of all health schemes under Nation Programme e,g Immunization, Control of Blindness, National TB. Control Programme, Family Planning Services, National Leprosy Programme, Aids and National Rural Health Mission etc. The health care delivery is delivered from Sub. District Hospital/CHC, Primary Health Centre, Allopathic Dispensary, Medical Aid Centre and Sub. Centre level, these services are provided to public almost free of cost except for nominal charge of Rs.2 for OPD tickets 50% of the revenue generated from these tickets is being kept by the institutions for Hospital Development Fund, which is used for minor repairs/renovation of the building and procurement of some minor equipments on emergency basis.*

*Srinagar being the summer capital of Jammu and Kashmir State is the hub of a lot of Political, Religious, Social, economic and Sports activities. Be it Parliamentary or Assembly, Election or counting of votes,Moharram-Ul-Harram,Shri Amarnath Ji Yatra,VVIP's visit, Darbarmove Medical camps or any sports events,Assembly session,It is the Chief Medical Officer,Srinagar who is arranging medical cover for these functioning in the district.Besides Chief Medical Officer,Srinagar provided man power (Medical and Para Medical Staff) to Army/Border Security Forces/Centre Reserve Police Force and other NGO's for organizing mega medical camps in the district.As such a fleet of well equipped Ambulances and additional man power needs to be provided to Chief Medical Officer Srinagar to coupe up with these arrangements.Whereas only 2-4 big Ambulances are available with Chief Medical Officer,Srinagar and all these arrangements are being made by internal arrangements as no separate staff is available with Chief Medical Officer,Srinagar unlike other Chief Medical Officer's C.M.O Srinagar has distination of providing record number of First Aid through out the year for the above medical aid camps.*

*In addition to this Chief Medical Officer,Srinagar has to arrange for the post mortem of non militancy related deaths.*

*District Srinagar has the following medical zones.*

- 1. Zone Khanuyar*
- 2. Zone Batmaloo*
- 3. Zone Zadibal*
- 4. S.R.Gunj.*

*Besides providing free surgical medical and Dental facilities to the public a good number of diagnostic facilities are provided to the public which include Endoscopy,USG and X-Ray and Laboratory facilities all at nominal charges fixed by the Government.*

*It is the Chief Medical Officer,Srinagar who looks after the MCH and Immunization Programme and it is through his supervision that successful Pulse Polio Campaigns have been carried out and not a single case of acute flaccid paralysis (AFP) has been reported from District Srinagar sofar.*

*Chief Medical Officer also arranges various in-service training for the Doctors and Para Medical Staff.*

*All this is possible because he has a good network of institutions in the District which is managed by very efficient and dedicated teams.*

*The brief description of this network is given below.*
