INTRODUCTION

District Pulwama came into existence in July-1979 and was carved out from District Anantnag. The District is located at an altitude of 4500 to 6000 feet from the Sea level. The District Shopian has been recently carved out from District Pulwama in the year 2007 and is existing in the shape of new District. The District Headquarter Pulwama is about 32 Kms away from Srinagar city. The Boundary Districts of Pulwama are Anantnag, Kulgam, Shopian, Budgam & Srinagar.

“Community Health Care Services” is the key component of Integrated Rural Development. As the Rural population comprises 91% of our Population and as such improvement of the Health of Rural Population is an important part of the development.

Necessitated by multifaceted and interlinked problems of fast growing population, inadequate Nutrition, Environmental Pollution, rampant communicable diseases & inadequate drinking water . The emphasis have by necessity shifted to provision of primary Health Care to the multitude of our Rural Population at a place more convenient to them, preferably at their door steps.

It has been and shall be endeavored of the Health Sector of District Pulwama, as far as possible to carry on preventive, promotive and curative health care services to the community even in the Rural areas. Remoter the areas more emphasis has to be given by providing Health Care to them.
