

Directorate of Health Services  
Kashmir

C I R C U L A R    N O :        01 -DHSK OF 2009  
D A T E D                        :        11 -    /12/ 2009

All the Chief Medical Officers /Medical Superintendents /Block Medical officers are instructed to ensure that Action Plans are made for preparedness of any disaster, especially for heavy snowfall during the forthcoming winter.

In case of heavy snowfall in their areas of jurisdiction, it will be ensured by them that availability of necessary supplies, staff and ambulances are planned so that medical care is provided to the people in the affected areas within the shortest possible time. Copies of the Action Plans shall be furnished to this office within five days positively.
